Scope of Responsibilities

Tenant representation for retail, office and industrial properties. Listing and sale of retail, office, industrial and larger multi-family buildings.

Background & Experience

Maureen has more than 25 years experience in retail and commercial banking. As a Personal Banking Officer, her expertise was in relationship development and deposit retention, as well as community involvement. During her years as a Commercial Loan Administrator, she gained commercial experience by meeting with customers, getting to know their business and being involved in the lending process from analysis through funding. Maureen's years of experience in banking fit nicely with her role as a Commercial Real Estate Salesperson.
