Scope of Responsibilities

Kari joined NAI FMA Realty in February 2006 as an Administrative Assistant and in 2008 became the Marketing Administrator. Today, as the Transaction Manager, she is responsible for marketing and maintaining the company's listings and conducting research for the firm's bi-annual market report. Kari is also responsible for creating the marketing materials such as brochures, mailings, virtual tours for listings and many other back office functions for our brokers.

Background & Experience

Kari spent one month volunteering in Costa Rica with the International Student Volunteer organization.
