Scope of Responsibilities

Mike Berens specializes in assisting users and owners with their real estate strategy and implementation. With over fifteen years of real estate experience, he has completed over \$300 million in transaction volume.

Mike successfully represents clients ranging from well-capitalized startup companies to multinational ownership organizations and creates value for each client by providing a strategic, customized and consultative approach to their real estate needs.

Mike is also the co-founder of Together for the Better Organization, creating awareness for Alzheimers (alz.org) through Alpharetta Pop Festival, an annual music festival in Alpharetta, Georgia.
