Scope of Responsibilities

Nathan Anderson serves as President at NAI Brannen Goddard and specializes in assisting industrial users and owners with their real estate strategy and implementation. Nathan has expertise in all aspects of corporate real estate, including lease negotiation/restructuring, strategic planning, build-to-suit oversight, site selection consulting, logistical consulting, labor analysis, incentive consulting and disposition/leasing services.

Nathan has completed over 2,500 transactions totaling \$3 billion in transaction volume. For over 25 years, Nathan has been recognized as one of Atlanta's and the Country's top industrial brokers. He has assisted clients such as Ares, Barings, Brighton Best International, Cabot, CenterPoint Properties, Hillwood Properties, John Deere, Link, Nuveen, Prologis, and Ta Chen International.
