

Jena Young

Senior Property Manager
NAI Summit

610-871-1713

jyoung@naisummit.com

Scope of Responsibilities

Jena's property management portfolio consists of commercial office buildings, medical office, and flex buildings. Jena's strengths are apparent in her eagerness to assist tenants, her ability to build strong professional relationships with owners and vendors, and her willingness to provide the best customer service to the occupants of the buildings she manages.

Background & Experience

As a Senior Commercial Property Manager for NAI Summit, Jena brings over ten years of experience in both Property Management and Operations Management. Her experience includes facilities management, purchasing and maintenance, as well as project management.

Educational Background

In addition to her degree in Criminal Justice, Jena has continued her education in Business and Management at DeSales University and Cedar Crest College.
