Scope of Responsibilities

Aubrey Englund is an Executive Vice President at NAI Hiffman, specializing in office tenant representation services with selective landlord representation. Aubrey has proven herself an invaluable asset to the firm's Chicago suburban team.

Background & Experience

Dedicated to the Suburban Chicago area, Aubrey specializes in office tenant representation services with selective landlord representation. Aubrey has successfully negotiated office transactions for a wide array of public, private and not-for-profit clients providing market research, site selection, contract negotiation, financial analysis and due diligence. A successful office relocation or renewal process is ultimately dependent upon asking the right questions and establishing strong communication between client and real estate advisor. Aubrey works closely with her clients to identify problem areas, with openness to both conventional and unconventional solutions, in order to achieve favorable results that are measurable. Aubrey's ability to think "outside the box" has resulted in tenant-favorable outcomes and significant savings. During her career at NAI Hiffman, Aubrey has completed over 950,000 square feet of commercial real estate transactions valued at over \$110 million dollars.

Educational Background

Northern Illinois University, BA
