Background & Experience

Abby joined NAI Wisinski of West Michigan in 2004 as a receptionist. She has continually been involved with managing property while attending Calvin College from 2005 to 2009. She received her real estate license in the fall of 2009 and joined the property management team of NAI Wisinski in November 2009. NAI Wisinski of West Michigan currently manages over 4,000,000 square feet of commercial real estate. Abby enjoys working at NAI Wisinski because of the numerous different landlords and tenants she works with. Since every investment is different, Abby gets to know the owner in order to work effectively and efficiently. Abby believes that in order to be a successful property manager one has to be organized, dedicated to the relationship between the owner and tenants, easily accessible and committed to maximizing each properties investment potential.
