Background & Experience

Jeremy began his career in commercial real estate in 2007; shortly after, he joined NAI Iowa Realty Commercial. His experience includes industrial, office, retail, hospitality, multi-family and land development. He represents local, regional and national clients in site selection, disposition, and tenant representation. Jeremy has extensive experience with commercial real estate research and analysis. Jeremy continually strives to increase his knowledge base in all areas of the commercial real estate market through professional designations and education in order to provide his clients with the most current information and research. This knowledge allows him to offer the best possible solutions and deliver the results his clients expect and deserve.
