Background & Experience

Maaco Ting brings over 8 years of asset management accounting and finance experience with her in her roll as Property Management Controller. She has experience in complex account analyses, reconciliations, resolving issues within high dollar accounts, property acquisitions and dispositions. Maaco is the Yardi System Administrator, providing guidance to peers on system navigation, applications, set up, troubleshoot and access issues. She also provides guidance on acquisition processes, including, but not limited to opening balance sheet entries, sale re-prorations, CAM reconciliations, acquisition budgets and transitional property issues.
