Scope of Responsibilities

Jeannie Randolph joins the NAI Maestas & Ward team with almost 20 years of entrepreneurial experience. Jeannie has started, bought and sold numerous businesses in a variety of industries including the gift industry, pet industry, and the craft and hobby industry. She has knowledge of retail, wholesale, manufacturing and distribution channels and an extensive knowledge of direct and online marketing strategies for success.

Jeannie is passionate about helping people change their lives through business ownership. Her grandparents, parents and brother were all entrepreneurs, so she learned from a very young age the result of hard work and determination. Jeannie brings dedication, drive and creativity in helping you find a business to buy or helping you sell yours.

In 2003, Jeannie was awarded with the Aggie 100 Award, recognizing her company as one of the fastest growing companies owned and operated by a graduate of Texas A&M. Jeannie has also won numerous national awards for results-oriented marketing in the credit union industry.

Jeannie has a Bachelor of Science degree from Texas A&M University and a minor in Marketing with concentrations in Public Relations and Advertising. Prior to becoming a business owner, Jeannie spent five years in marketing with a credit union in the Houston area, and began her career as the Public Relations Manager at one of Houston's largest auto dealers where she was responsible for maintaining superior customer service levels from all sales associates.

In her free time, you can find Jeannie on the tennis court, behind the lens of a camera taking photographs, or traveling to places near and far.
