msokolsky@naicapital.com

Scope of Responsibilities

Myron Sokolsky focuses exclusively on national, regional, and local institutional and retail Tenant representation. He leverages his years of experience and knowledge in providing his clients with best in class site selection, acquisition and disposition, and of course, his effective art of negotiation.

The success of his business comes from his energy, passion and enthusiasm for his commercial real estate practice and his dedication to his clients.

Background & Experience

Myron Sokolsky began his career in commercial real estate in 1996, as Vice President, Century Commercial Brokerage. In 2002 he joined Grubb & Ellis as Vice President, Tenant Advisory Group.

In early 2012 Myron Sokolsky joined forces with NAI Capital's corporate office, as Vice President. He has exclusively represented many national and regional tenants. He has successfully helped his client to achieve both their expansion goals and optimization of existing portfolios.

Educational Background

Myron Sokolsky graduated from the University of Southern California, Bachelor of Science, and Business Administration.
