Scope of Responsibilities

Charles Mueller has practiced real estate for nearly 25 years. He is President of Synergis, LLC, and a licensed real estate agent of NAI Rio Grande Valley. Charles has extensive development and management expertise and has led commercial and residential projects in Texas, Colorado, and the Virgin Islands. Skilled in real estate acquisition, development, and management, he is also active in promoting innovative and profitable business partnerships. His latest significant venture is a Class A Business Park, 495 Commerce Center, located in McAllen, Texas.

In addition to real estate brokerage and development, Mr. Mueller is actively engaged in property management. Charles understands the entitlement and subdivision process having dealt with many different jurisdictions in different states over the years. From designing a master plan and developing to property management Mr. Mueller has the experience and knowledge to deliver a successful product.

Background & Experience

Before establishing NAI Rio Grande Valley in 2004, Charles founded and remains the President of Synergis LLC and a licensed real estate agent with NAI RG. He is a licensed Realtor in Colorado and has led commercial and residential projects in Texas, Colorado, and the Virgin Islands. Charles has extensive knowledge in dealing with all types of land from timberland in Mississippi to orchards in South Texas. From designing a master plan and developing to property management Mr. Mueller has the experience and knowledge to deliver a successful product.
