Scope of Responsibilities

George is a Principal with NAI Robert Lynn and the Chief Executive Officer. As the supervisor of company operations, he handles all accounting functions, manages a large database of tenants and available properties, and directs the sales and administrative staff. He is responsible for ensuring the sales agents adhere to the NAI Robert Lynn philosophy of brokering.

Background & Experience

George meets with each individual salesperson on at least a monthly basis to discuss all their current Transactions In Progress. In this role he has been involved in over 5,000 completed transactions and is thus able to help our clients develop creative solutions to meet their real estate goals. George came to NAI Robert Lynn after three years in the Audit Division of Arthur Andersen, where he specialized in the real estate industry.

Professional Affiliations & Designations

George is a Certified Public Accountant.

Educational Background

George graduated with a B.B.A. in Accounting from the University of Texas at Austin. He graduated as the valedictorian of the Business School.
