Scope of Responsibilities

Jim specializes in leasing, purchasing, selling, and investing in commercial real estate. He has completed over 1,000 transactions throughout the DFW Metroplex.

Background & Experience

Jim began his career with NAI Robert Lynn in 1994. He uses his experience and expertise to advise his clients of market conditions, negotiating on their behalf to save them time and money on their real estate transactions.

Educational Background

Bachelor of Science Degree in Marketing from the University of Minnesota, Carlson School of Management.
