Background & Experience

Vincenzo Caputo, began his professional career in 2008 with NAI Commercial Real Estate after completing his Master's in Business Administration (MBA) at the University of Alberta. In 2014, he became a partner of NAI and has emerged as one of the markets more active agents by brokering an impressive variety of Commercial Sales & Leasing transactions placing him in NAI's Top 10 Brokers Rankings Canada wide. His extensive market knowledge, creative insight, negotiation skills and hardworking approach has allowed him to build long lasting and trust worthy relationships with his clients. In addition to providing transactional expertise for many regional, national and international clients, Vincenzo has earned a reputation for being able to offer strategic project consulting and customized marketing plans to developers. Adding tremendous project development expertise and market penetration when engaged as their exclusive listing agent. His analytical capabilities permit him to capitalize on sales/leasing opportunities, structure creative deals and maximize returns for the various property owners/landlords he represents.
