Background & Experience

Brody Butchart completed his BBA degree at Mount Royal University while gaining experience at various internships including a work term with the Calgary Flames in the Sales department and another with a local marketing agency "Made By UpperCut". Brody went on to work with the marketing agency for three years where he was able to develop his customer relations and digital marketing skills which he now applies to his real estate endeavors.

Brody has been with NAI Advent since November of 2016 and has excelled in the Commercial Real Estate industry learning the ins and outs of the market at a fast pace.

Educational Background

Bachelor of Business Administration with the Mount Royal University, majoring in Marketing and minoring in Innovation and Entrepreneurship.
