Background & Experience

Deborah Lapinski joined NAI Plotkin in September of 2008. Handling lease administration and finance, her duties include the financial preparation and overview of all commercial accounts, review and coordination of all commercial leases and MRI commercial software administration. Debbie's extensive experience in property management accounting and financial analysis brings to the company the necessary depth of understanding for intelligent and capable financial management. Prior to joining us, Ms. Lapinski was the Assistant Comptroller of a competing development and property management company. .
