Background & Experience

Hugh Winskill represents buyers and seller of apartment buildings and other income producing properties. Since 2011, Hugh has brokered over \$47 million of investment sales. He works with investors large and small, having closed apartment transactions ranging from \$1 million to \$15.1 million.

Prior to returning to Tacoma, in 2008 to focus on South Puget Sound investment sales, Hugh brokered hundreds of thousands of square feet of leases and sales of retail, office and industrial properties in King and Snohomish Counties. This experience, coupled with the knowledge he gained as a research analyst for Colliers International, gives him a thorough understanding of nearly all aspects of the commercial market.
