Scope of Responsibilities

Michael Moore is a Commercial Real Estate Advisor with NAI Koella | RM MOORE and has been active in the Knoxville brokerage community since 2010. He has a diverse background in real estate and facility management with significant experience in NNN leasing, vacant land development, bank REO properties, and asset sales. Michael's clients are local as well as coast to coast, he has also worked with international clients from Singapore, Australia, New Zealand and Europe.

Background & Experience

Michael honed his craft in the Rocky Mountains, holding broker licenses in both Idaho and Wyoming. His accomplishments included the marketing and sales of several large working and guest ranches totaling over 3,000 acres, as well as income-producing resort assets and select mountain properties. Prior to embarking upon a career in real estate, Michael was General Manager of several resort properties and service related establishments, including several restaurant start-ups. Combining a knack for communication with an intense and comprehensive diligence for market knowledge, Michael brings multi-faceted skills to the various sides of real estate brokerage.
