Scope of Responsibilities

As the Facilities Manager of NAI TALCOR West Florida Michael is directly involved in both the strategic planning and day-to-day operations of the properties he manages ranging from Mississippi to Alabama and throughout the Panhandle of Florida. Michael's technical expertise gives him the ability to self-perform a broad range of maintenance and capital projects that most firms would outsource, controlling quality and cost for our clients. Michael delivers the highest level of customer service to the tenants and property owners of the commercial real estate properties he is involved in overseeing.

Background & Experience

Mr. Fairbanks has over 20+ years as a facilities manager. Prior to joining NAI TALCOR, he served and retired from the United States Air Force as a weapon systems supervisor and facility manager. Michael has managed all aspects of building utilization, to include budget, technical issues, clerical support, and security.

Educational Background

Community College of the Air Force, Associates degree, Applied Science. Currently enrolled at American Military University and working towards my bachelor's degree in business management.
