Scope of Responsibilities

Douglas J. Golden focuses on the acquisition, disposition and leasing of industrial and commercial real estate throughout Southern California. Primary clients include corporations, private investors, small business owners and family trusts. His professionalism, market knowledge and creative thinking enable clients to realize added value in their real estate holdings.

Background & Experience

Douglas has over 34 years of commercial real estate experience. While previously with DAUM Commercial Real Estate Services and Charles Dunn Company, he was appointed by the Los Angeles City Council to serve on the Community Advisory Committee for formulating a redevelopment plan for commercial and industrial areas in South Los Angeles. He was the leading broker of industrial referrals in Southern California from the TCN Worldwide Affiliate. Douglas has also completed assignments as an expert witness in real estate matters.
