Scope of Responsibilities

Michael Newsome is Executive Vice President and Principal of NAI Robert Lynn. He joined the company in 2007 as the industrial specialist for Tarrant County. He is teamed up with Todd Hubbard, and they are both responsible for industrial transactions throughout Tarrant County.

Michael employs his market knowledge to give clients the opportunity to make fully informed real estate decisions by personally tracking all the real estate transactions, owners, tenants, and available space in his market. Combining this knowledge, along with looking at the core business needs of each client, he is able to provide optimal and individualized real estate solutions.

Background & Experience

Prior to joining NAI Robert Lynn, Michael worked in the mortgage industry where he learned to understand the intricacies associated with the financial side of real estate transactions. Since then, Michael and Todd have grown their business and reputation as one of the most respected teams in the Tarrant County industrial market.

Michael was born in Dallas, and attended undergrad at TCU where he met his wife, Kristi, who he married in March of 2009. They have a daughter, Holland Elizabeth, and a son, Michael McBride Newsome Jr..
