Scope of Responsibilities

McNeill Stokes is a commercial land specialist with a primary focus in selling land for retail, residential, industrial and mixed-use development. McNeill handles listings and identifies assets for acquisition to clients, frequently working for buyers on an assignment basis. With an extensive background in real estate and immense knowledge of the Atlanta market, McNeill assists his clients by locating practical solutions and winning the best deal for his clientele.

McNeill has completed over \$100 million in volume through sales transactions throughout his career.
