jmcgill@naifma.com

Scope of Responsibilities

As the firm's Project Coordinator, Joel participates in the oversight and administration of various construction and tenant improvement projects as well as major contract service work at our managed properties. Primarily, the Project Coordinator is our client's representative and is responsible for the completion of a project within budget, on schedule and meeting the client's satisfaction.

Background & Experience

Prior to joining NAI FMA Realty in February of 2019, Joel spent the previous three years working in the building facility maintenance area for a couple large commercial real estate services companies.

Educational Background

Associate's Degree, Building Construction, Southeast Community College, Milford, NE
