### Background & Experience

Samantha joined NAI SunVista (formerly NAI Maestas & Ward) as a property manager in 2019. A North Carolina native, she is looking forward to this new chapter in the Land of Enchantment. She has more than five years of property management and office experience and became a licensed NM Associate Broker in 2019.

Prior to joining NAI SunVista, Samantha was a residential property manager and maintenance coordinator for a NC real estate company for more than five years. She handled day-to-day maintenance for all of the properties, processing tenant delinquencies, and dealt directly with property owners and tenants.
