Background & Experience

Jon has over 40 years' experience in the Central Florida real estate industry. His primary focus at NAI Realvest is land for residential and commercial development and brokerage.

He is a Sales Associate and the Development Services Director for clients throughout Central Florida, providing land development consulting and brokerage services for all types of commercial and residential real estate projects. Between 2019-2023, Jon closed on over \$44 million in land transactions in Central Florida.

He also provides consulting services for project management, owner representation and expert witness services. His past experience includes all types of real estate development including large scale residential communities, apartment complexes, shopping centers, office buildings, industrial parks, hotels/resorts and entertainment facilities. He has extensive international experience and has worked in the Middle East, South America, the Caribbean and Southeast Asia.

Prior to joining NAI Realvest, he served as Vice President and Principal of Miller Legg, a statewide engineering consulting firm where he was Regional Manager and worked with a wide variety of state, national and international clients. Prior to Miller Legg, he was Vice President and founder of Ivey, Harris and Walls, Inc., based in Winter Park.
