johnstaunton@naiearlefurman.com

Scope of Responsibilities

John focuses mainly on the industrial sector: manufacturing and warehouse, flex and office space - specifically business development and client relationship management.

Background & Experience

John is a graduate of West Virginia University – Institute of Technology. He holds degrees in Business Management and Industrial Relations & Labor Studies. Prior to joining NAI Earle Furman, John worked in the telecommunications industry specializing in advertising & publishing. In 2009, John joined the NAI EF's industrial group with a focus on business development & relationship management. As a commercial real estate broker, John specializes in Industrial, Flex and Office space. He has a comprehensive understanding of sales and leasing process. John has a passion for building relationships and working directly with – tenants, landlords, buyers & sellers – to maximize their success. NAI Earle Furman's affiliation with NAI Global allows John to utilize his knowledge of the local market while leveraging resources on an international level to better serve his clients. Consequently, John and his partner, Hunter Garrett, have completed more than \$50 million in transactions for his clients over the last 24 months. John also has served a role as the Industrial Division Leader.

Professional Affiliations & Designations
